Let Us Vote Complete Lyrics

<i>Let It Go</i> (original lyrics)	<i>Let Us Vote</i>
The snow glows white on the mountain tonight Not a footprint to be seen A kingdom of isolation And it looks like I'm the queen	11 hour lines down in Georgia to vote, Tired, thirsty they don't care Intimidating poll workers Jim Crow lurking everywhere
The wind is howling like this swirling storm inside Couldn't keep it in, heaven knows I've tried	Partisan legislators silencing our voice, Trying to take our rights, trying to take our choice,
Don't let them in, don't let them see Be the good girl you always have to be Conceal, don't feel, don't let them know Well, now they know	This is not right and Yes I care Let's keep elections always free and fair! Our country's in authoritarian slide Let's turn the tide--
Let it go, let it go Can't hold it back anymore Let it go, let it go Turn away and slam the door	Let us Vote, Let us Vote Can't hold us back anymore Let us Vote, Let us vote Take us to the Senate Floor
I don't care what they're going to say Let the storm rage on The cold never bothered me anyway <i>{motivating chords}</i>	Here we stand for Democracy Pass the For the People's Act This could really be your legacy <i>{motivating chords}</i>
It's funny how some distance makes everything seem small And the fears that once controlled me can't get to me at all	Common sense experience says everyone's vote counts Make it easier to absentee, let's shout for great turnout! (<i>woot woot woot/ fist pumps</i>)

<p>It's time to see what I can do To test the limits and break through No right, no wrong, no rules for me I'm free---</p>	<p>It's time to see what we can do Protecting voting for your grandma too! No matter who she's voting for We all score---</p>
<p>Let it go, let it go I am one with the wind and sky Let it go, let it go You'll never see me cry</p>	<p>When she votes, Let us vote That's a win for democracy Let us vote, Let us vote It's a win for you and me</p>
<p>Here I stand and here I stay Let the storm rage on <i>{instrumental music building}</i></p>	<p>Here we stand for Democracy Pass the For the People's Act <i>{instrumental music building}</i></p>
<p>My power flurries through the air into the ground My soul is spiraling in frozen fractals all around</p>	<p>No more gerrymandered parcels of our ground The people choose their Reps and not the other way around!</p>
<p>And one thought crystallizes like an icy blast I'm never going back, the past is in the past</p>	<p>With Jim Crow factions snatching freedom with their jaws The filibuster's broken, it's your job to pass some laws!</p>
<p>Let it go, let it go When I'll rise like the break of dawn Let it go, let it go That perfect girl is gone</p>	<p>Let us Vote, Let us Vote Lady Liberty's on board Let us Vote, Let us vote Take us to the Senate Floor</p>
<p>Here I stand in the light of day</p>	<p>Here we stand for Democracy</p>
<p>Let the storm rage on</p>	<p>Pass the For the People's Act</p>
<p>The cold never bothered me anyway</p>	<p>This can really be your legacy</p>
